

His Light Is Shining On

Yogananda guided on by whispers from eternity
O'er the tow'ring Himalaya shined a light that all might see
For his Christ-like mercy evermore exalted may he be
His light is shining on

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! His light is shining on!

From Calcutta Yogananda sailed across the mystic sea
On a mission of salvation meant to set our Spirits free
To transcend all human bondage meditation is the key
His light is shining on

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! His light is shining on!

Through Lahiri Mahasaya from his guru Babaji
Flowed Lord Krishna's Kriya Yoga unto Sri Yukteswarji
By the grace of Yogananda it enlightens you and me
His light is shining on

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! His light is shining on!
